

## Call for Applications: Global Politics Summer School Iran 2016

### THE FUTURE ROLE OF THE EU AND IRAN IN THE MENA CONTEXT

June 17-30, 2016 in Tehran (session period: June 18-29)

#### ORGANIZED BY

Center for Global Politics of the Freie Universität Berlin (FUB), in cooperation with Allameh Tabataba'i University (ATU), Tehran.

#### CURRICULUM

Both, Iran and Europe, are facing serious challenges in their regional contexts. Iran is involved in one way or another in defining its role in the MENA area, especially in the conflicts in and around Syria. Europe is facing a number of challenges, ranging from massive immigration flows over latent and real terrorism, a more assertive Russia, up to the possible Brexit, and rising populism on the continent. This year's summer school will take up these conflicts, but also opportunities, and look for similarities and differences in attitudes. We therefore invite students from Iran, Germany and other countries to exchange their views and ideas on these topics.
